Icons representing heating radiator, energy class C, energy class B, and tap M.

Energy efficiency scale from A+++ (green) to G (red). A black arrow labeled 'C' points to the 'C' level on the scale.

Feature icons: Solar panel, hot water tank, remote control, and boiler. Each icon is followed by a blue square checkbox. The remote control checkbox has an 'X' inside.

Energy label icons: Tap M and energy efficiency scale from A+++ (green) to G (red). A black arrow labeled 'B' points to the 'B' level on the scale.
