Two energy label icons are shown. The top one is for heating, featuring a radiator icon and an arrow pointing left with the letter 'A'. The bottom one is for hot water, featuring a tap icon with 'XL' and an arrow pointing left with the letter 'A'.

Four feature icons are listed vertically, each with a plus sign to its left and a square box to its right. From top to bottom: a solar panel icon with a sun, a tank icon with a cross in its box, a touch control icon with a hand and a cross in its box, and a boiler icon with an empty box.

An energy efficiency scale for heating is shown. It consists of a vertical stack of horizontal bars of varying lengths, colored from green at the top to red at the bottom. The bars are labeled from top to bottom: A+++ (green), A++ (green), A+ (light green), A (yellow), B (orange), C (orange-red), D (red), E (red), F (red), and G (red). To the right of the scale is a black arrow pointing left with the letter 'A+' inside it.

An energy efficiency scale for hot water is shown. It consists of a vertical stack of horizontal bars of varying lengths, colored from green at the top to red at the bottom. The bars are labeled from top to bottom: A+++ (green), A++ (green), A+ (light green), A (yellow), B (orange), C (orange-red), D (red), E (red), F (red), and G (red). To the right of the scale is a black arrow pointing left with the letter 'A' inside it. Above the scale is a tap icon with 'XL' next to it.
