Two energy label icons are shown. The top one is for heating (radiator icon) with a black arrow pointing left containing the letter 'A'. The bottom one is for hot water tap (tap icon) with a black arrow pointing left containing the letter 'A' and 'XL' below it.

A vertical energy efficiency scale for heating. It consists of ten horizontal bars of increasing length, colored from green at the top to red at the bottom. The bars are labeled from top to bottom: A⁺⁺⁺, A⁺⁺, A⁺, A, B, C, D, E, F, G. To the right of the scale is a black arrow pointing left containing the letter 'A⁺'.

Four feature icons are shown, each with a blue plus sign to its left and a square box to its right. From top to bottom: 1. Solar panel icon with a sun, box is empty. 2. Water tank icon with waves, box contains a black 'X'. 3. Control panel icon with a hand pointing, box contains a black 'X'. 4. Heating unit icon, box is empty.
