Energy label for heating system showing two 'A' ratings. The top 'A' is associated with a radiator icon, and the bottom 'A' is associated with a tap icon labeled 'XL'.

Four feature icons are listed vertically, each with a blue plus sign to its left and a blue square icon to its right. From top to bottom: a solar panel with a sun icon and a square with an 'X'; a washing machine drum with a square with an 'X'; a hand touching a control panel with a square with an 'X'; and a water heater icon with an empty square.

Energy efficiency scale for heating system. A radiator icon is at the top left. A scale of horizontal bars represents energy classes from A+++ (green) to G (red). A black arrow on the right points to the 'A+' class.

Energy efficiency scale for tap water. A tap icon labeled 'XL' is at the top left. A scale of horizontal bars represents energy classes from A+++ (green) to G (red). A black arrow on the right points to the 'A+++' class.
