NIB

Nib captivates with its floating silhouette, bringing lightness and sophistication to the wash area. Three-dimensional clarity meets flowing forms, making the sink seem almost weightless as it appears to float above the countertop. The understated expression is further enhanced by a selection of colors—white, matte black, or dark iron. Nib serves as a visual statement, striking a balance between aesthetics and everyday functionality. Its design delights with optical calm, without sacrificing presence. The harmonious fusion of material, color, and form makes Nib a defining element of modern bathroom design—understatedly elegant, yet emotional and clearly structured.
